

Welcome to Pencaitland

Welcome to Pencaitland and a new beginning.

Moving anywhere new can be a rather daunting experience. There is so much to do and in the midst of it all so much to discover about the community into which you are settling. At the local Church we have put together this pack in order to help you settle in and give you a flavour of the local community.

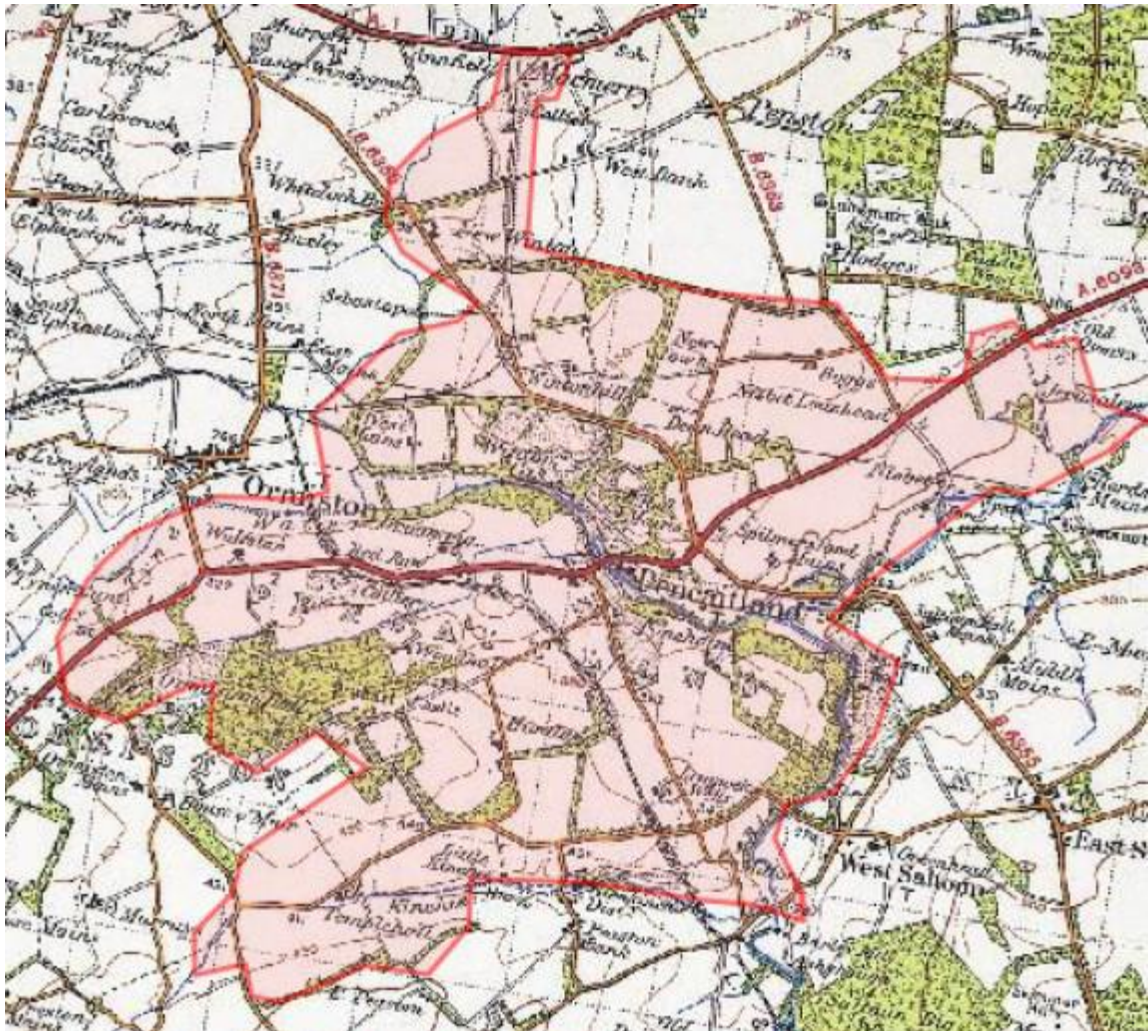

Pencaitland is a lively village with activities for all ages. In putting together this welcome pack we have tried to give as much information about these activities as we can. We have also tried to give you contact details and where to turn for more information. Where there is no area code, the number is an 01875 one and does not need a code when dialling from Pencaitland.

If there is anything else that we can do to help you settle in then please do not hesitate to contact us.

You would also find a warm welcome at the local church and to find out more about what goes on please contact the minister on 01875 340963 or have a look at our website <http://www.pencaitlandparishchurch.org.uk/>

We hope that very soon this place begins to feel like home.

Pencaitland Parish Boundary

Pencaitland Parish Church

A warm invitation is extended to you and your family to join us in worship on Sunday mornings at 10:45am; we also meet for a monthly evening service with our sister congregation in Ormiston on the first Sunday of the month at 6:30pm. They have an earlier service on Sunday mornings at 9.30am. There is much more in which to take part in the wider life of the congregation, including Sunday Club, Crèche, House Group, Guild, Bible Study, and Prayer meetings amongst others. More information on these and other activities is available from any elder or in church.

Pencaitland Parish Church congregation seeks to worship God with the best that we have. We aim to belong together as a church family but, more importantly, to believe. Our main points of focus are the Bible and Prayer, and making both of these accessible to everyone in the Parish.

We also want to be a place that is warm and friendly, a place that welcomes people from different backgrounds and traditions, and a place that recognises its part in the Church of Scotland.

There is always tea and coffee provided after the Sunday services to give people a chance to get to know one another.

We look forward to making you welcome and hope to see you there.
